SUMMARY

Skilled in developing web designs and features with a strong background in HTML, CSS, JavaScript, and Bootstrap. Quick to learn new technologies and experienced in troubleshooting and resolving complex code issues.

SKILLS

Languages	:	Java | SQL | HTML | CSS | JavaScript
Web Design	:	Bootstrap | Material-UI | Tailwind CSS | Figma | Adobe Photoshop
Frameworks & Libraries	:	React.js | Node.js | Express.js

WORK EXPERIENCE

Front-End Intern   Dec 2023 - Jun 2024
PureCode AI R&D India Pvt.Ltd

- Designed and implemented user interfaces, including component sections, webpages, and various UI components, utilizing HTML, CSS, JavaScript, React, and Material-UI (Mui).
- Collaborated with team members to integrate UI designs seamlessly into the software architecture, ensuring consistency and enhancing user experience, which led to a 20% increase in website views.

PROJECTS

Adventure Outdoor ↗ **| GitHub**

- Created a tour booking website using technologies such as HTML, CSS, and React JS framework.
- Implemented specific itineraries for each trip to assist users in planning their travels effectively.
- Utilized MongoDB as the database management system to store user data.
- Employed Express.js as the backend framework and utilized Node.js as the server technology.

Game Spot ↗ **| GitLab**

- Designed a PC games website with a 4-member team, providing users access to a diverse game collection.
- Established a feature enabling users to filter games by system specifications, improving user experience.
- Built the website with AngularJS for single-page applications and utilized MySQL as the backend database.
- Partnered closely with the team to optimize the website's performance, reducing load times by 30%.

EDUCATION

Gandhi Institute of Technology and Management   Jul 2017 - Aug 2021
Bachelor of Technology in Computer Science   7.2 CGPA

Excellencia Junior College   Jun 2015 - Mar 2017
Intermediate (+2) in Mathematics, Physics, and Chemistry   8.1 CGPA

CERTIFICATIONS

Java Full Stack Developer   Jul 2023 – Jan 2024
FSD Talent Sprint
